

Engaged Contingent Search Services

For hard to find talent, Angle of Attack's engaged contingent services offer a level of service that is unmatched. Through aggressive utilization of our industry contacts, we will directly source candidates who are among the very best in Aviation, Aerospace, and Defense. The added benefit of this upgraded search is a Senior Consultant who is exclusively dedicated to the completion of your search. Their focus is on time sensitivity, constant communication regarding search progress, and dedication to a successfully completed search.

How it works: You'll be assigned to a Senior Search Consultant who will direct a team focused exclusively on your search. The aggressive approach to candidate identification, exclusive focus, and team efficiency leads to a tight focus of individuals from your competitors and other similar target organizations to source the talent on your behalf. Angle of Attack's engaged contingent recruiting service is most appropriate for high-level technical and professional opportunities.

Fee Structure: One third of the projected fee is due prior to the start of the search. The remaining balance is due upon successful completion of the search. The fee is calculated as a percentage of the candidate's first year's compensation.
